Schaffhausen, October 2023

Adjustment of employee contributions 2024

Dear Sir, dear Madam

The members of the Pension Fund Georg Fischer born in 2003 and older have the opportunity to change their individual savings contributions each year. You can choose between an increased, reduced and standard plan.

For the year 2024, I choose the contribution variant:

Increased **Standard** **Reduced**

Without your counter report, your previous savings contribution variant will continued. The respective savings contributions can be found in the regulations (A 3 Level of contributions) on our homepage pk.georgfischer.com. **A quotation will be provided on request.**
